Included in the registration fee is a jersey, hat, belt, and socks for each player. Your child will need baseball pants, a glove, a helmet with a face mask, cleats, and bat. 9U-11/12U helmets (kid pitch only) can have either a face mask or optional C flap.

New for Spring 2026 – Sublimated Jerseys with Pre-Printed Names and Numbers: In order to better serve our families, OP will be improving our options and provide sublimated jerseys this Spring 2026 season! This brings an additional cost per player which we have added to the registration, but our families will no longer be asked to provide \$10-15 for names and numbers added to the back of hats and jerseys. Families will be asked to provide shirt size during registration. Additionally, we are asking you to provide your child's top 3 preferred numbers. We will do our best to accommodate after the drafts are completed.

Travel: No player shall be a member of Oregon Park Baseball and any other baseball association at the same time. No player may participate in Oregon Park's rec baseball program while being on the roster of any outside travel baseball organization.

Refunds: All refund checks will be processed and mailed after March 15th. 100% refund until December 28th, 50% from December 29th to January 11th. Zero refund beginning January 12th. Please send your request in writing to questions@oregonpark.com.

Skills Assessments: Skills Assessments will be held on January 24th, 2026 with a rain out/weather date of January 25th. The times will be posted on the website closer to the time. T-ball players do not participate in skills assessments.

Saturday Only T-ball: Oregon Park is pleased to offer the Saturday Only T-ball program again in 2026. This program is ideal for first time players, as well as other T-ball players who might prefer a reduced schedule. Games will be held only on Saturdays, with each game lasting one hour. No scores will be kept and rather than an end of season tournament, teams will play two additional "regular season" games.

Schedule: Schedules will be released after teams are assigned by January 31st, 2026. Two practices per week will begin February 2nd, 2026. Games will begin on February 28th. There will be two games scheduled per week- one game during the week and one game on Saturday. Weekday timeslots will be either 6 p.m. or 7:15 p.m. (Traditional T-ball through 8U), 6 p.m. or 7:30 (9U & 10U), and 6 p.m. or 7:45 (11/12U). Weekend timeslots will be scheduled between 9 a.m. and 7 p.m. on Saturday. Typically, games will not be scheduled on Fridays and Sundays; however, in the case of weather cancellations make-up games can be held on Fridays and Sundays. No games will be scheduled during Cobb County Spring Break. The end of season tournament is tentatively scheduled to begin on April 25th, 2026, and will be completed no later than May 17th (last Sunday of Cobb County school year). Coaches may or may not schedule additional practices either at OP or another facility.

Playing with a Friend: T-ball is the only age group that we allow special requests to play with a friend.

Playing Up League: If you are interested in your child playing in the older age group please send a request in writing to your current age group coordinator, Athletic Director, and Auxiliary Director by January 17th, 2026.
